
978 number not working

The 978 number for MA. gives me someone talking. She sounds like Charlie Brown's teacher (Wa wa wa, wa WA wa, lol), but it's definitely not the music of an internet connection. Is this number no longer in use?

1-978-434-4444

i just dialed it from a sprint cell phone in NH and i heard the modem pick up. i do not see the problem. sorry.

is it still an issue??
